GRAND KNIGHT'S REFLECTION

Vivat Jesus...Semper

Brothers, as we reflect on the latter half of 2025, we see our Council continue to serve our parish, our community, and each other in the name of **Charity, Unity, and Fraternity**.

In November, we remembered our deceased brothers at the **Memorial Mass**, including several brothers who passed this year. We will continue to remember our brothers in prayer and in action.

From our contribution to the Diocesan Seminarian Burse, to our Spaghetti Dinner fundraiser, to serving 40+ Scouts at the Catholic Scout Retreat, we strive to exemplify ***faith in action***, and we will continue in 2026.

Next Gen Knights

*Joining the Knights deepens faith and
strengthens connection*

The Knight of Columbus is open to Catholic men 18 and older, and many younger men find the K of C a great environment to connect with others that share their faith.

K of C Council 15339 is fortunate to have a vibrant mix of ages and activities. Listen to four new knights who share why Knights of Columbus Council 15339 appeals to them.

Neil

Council 15339 is excited to welcome its newest member, Neil, who joined us in December 2025.

Neil is an active parishioner at St. Margaret Mary's. He dedicates his time and effort to serving the community by participating in the Young Adult Ministry and the Filipino Ministry. He is essential to our liturgical experience. He manages the slides during the Filipino Masses.

He is eager to strengthen his faith by engaging in charitable activities. He values the sense of brotherhood within our Council.

Patrick has been a member of K of C

Council 15339 for just about one year, joining in January 2025. He currently serves as Outside Guard and has been very involved in many of

the Council's functions and meetings.

Like so many of his brother Knights, Patrick received a **personal invitation** from a fellow Knight to join the Council.

Beyond the fellowship with like-minded Catholic men, he feels good about helping raise money for the Council's charitable causes such as the Wheelchair Initiative.

At the General Council meetings, he is uplifted by praying the Holy Rosary with his brother Knights, as well as the simple joy of breaking bread.

He is looking forward to inviting and recruiting new members in 2026.

Next Gen Knights

Erick has been a familiar face at St. Margaret Mary's for over three years, but he recently took a new step by joining Council 15339. After receiving a

personal invitation to join, Erick turned to prayer to discern his path. The answer came clearly when he heard a Knights of Columbus spot on Relevant Radio; he knew then it was time to sign up. His sponsor told him, "You'd look good in green," and...who could disagree?

In his short time as a Knight, Erick has dove headfirst into service, volunteering for the Spaghetti Dinner, the Tootsie Roll Drive, and the Christmas lights installation, just to name a few.

Having joined Council 15339 after seeing the tangible impact the Knights make, Erick now feels blessed to be part of that mission. He is particularly inspired by the dedication of his brother Knights who consistently go the extra mile to do good.

While he is still enjoying getting to know the faces of the Council, he is already looking forward to making an even greater impact in 2026.

Dale joined our council in 2025. When looking for a way to give back, Dale sought out an organization where he could combine his desire for charitable work with

his faith—making the Knights of Columbus the perfect fit.

For Dale, the highlight of his journey so far has been participating in the Exemplifications. He notes that the experience has been incredibly positive, citing the active nature of the council and the genuine friendliness of the brothers as reasons he feels at home.

"I knew the Knights were an involved group because I always saw them in their green jackets at Mass and other parish functions," Dale shared. "I wanted to be a part of that presence."

If you're a Catholic man looking to grow in your faith, connect with your community, and put your faith in action - or know you know someone who is - listen to the advice from these young men. You are invited you to join the brotherhood of Council 15339 and see how you can make a difference.
